

# WE'RE HERE TO HELP

Lynn Imaging / Monster Color provides the full suite of printing, copying and scanning services, signage and graphics, printer sales and supplies, Construction Information Management and an array of digital solutions. We lead the way in technology, support and service.

Our team is here to help you during this unprecedented time. We can help your business communicate effectively important local messages and COVID-19 guidelines.

Please note, in order to best serve our valued customers, our Lexington and Louisville locations will remain open from 8:00 AM - 5:00 PM for curbside pickup and delivery only. Please call our first impressions team at 859.255.1021 for more information.

# EMERGENCY SIGNAGE SOLUTIONS

## FLOOR GRAPHICS

Use these for Social Distancing Markers, Wayfinding or for Posting Quick Information Snippets.

## A FRAME SIGNS & FOAM CORE

Display messaging at ease with A Frame Signage. Easily change or update your message.

## BANNERS

Provide information on your business hours and other relevant information about your business. These can be used indoors or outdoor, and allow for easy installation.

## TEMPORARY CLINGS

Apply temporary clings to a variety of surfaces including windows, walls, check out lines, brick pillars,

## CUSTOM SNEEZE GUARDS

Protect with custom designed acrylic sneeze guards, or consider one of the ready to install solutions.

## LAMINATED POSTERS

Display your messaging that you can easily disinfect with laminated posters. This material allows for you to disinfect with your preferred cleaner.
