

**2022 Five Cities Plus Conference
September 26-28, 2022
Cincinnati, Ohio**

Host: Metropolitan Sewer District of Greater Cincinnati (MSD)

Greetings,

Five Cities Plus is pleased to announce that registration for the 2022 conference on September 26-28, 2022, in Cincinnati is now open.

Register now at 5CitiesPlus.org

The annual Five Cities Plus conference provides an opportunity for wastewater utilities to discuss common issues, share lessons learned, and enable more collaborative solutions to industry challenges. It also provides an opportunity to celebrate the work we do that benefits so many.

Due to the COVID-19 pandemic, this will be the first in-person conference since 2019.

This year's conference will be hosted at the National Underground Railroad Freedom Center in downtown Cincinnati. The theme is "All Rivers Lead to Change." Registration is a flat rate of \$150/attendee.

We are also offering two optional tours:

- Lick Run Greenway Tour: 1:00-2:30 p.m. on Sept. 26 (Free)
- Rhinegeist Brewery Tour: 3:00, 3:30, or 4:00 p.m. on Sept. 26 (\$10/person)

Please visit the Five Cities Plus website at 5CitiesPlus.org to register and for more information about the location, schedule, optional tours, and accommodations.

We look forward to seeing you in September in Cincinnati!

Respectfully,

Diana R. Christy, Director
Metropolitan Sewer District of Greater Cincinnati (MSD)

What is Five Cities Plus?

Five Cities Plus is a non-profit organization comprised of a group of major Midwestern wastewater utilities, which have come together in the common interest of advancing the municipal wastewater industry. Five Cities Plus members include Cincinnati, Columbus, Indianapolis, Louisville, and St. Louis. Other cities in the region are welcome and encouraged to participate in the group's activities.
