January 5, 2022

Subject: Can U Dig It 2022

With the recent spike in Covid cases and out of abundance of caution, we are going to cancel the in-person 2022 Can You Dig event. Instead, we will record the speakers and post to our website and other social media platforms. Please visit www.louisvillemSD.org on January 20th at 10:00 a.m. for the link.

We will conduct our breakout sessions virtually. If you have already registered for one of these sessions, you will receive a calendar invitation via email.

Thank you for your interest in doing business with MSD. We are hopeful for a return to an in person setting for 2023. Please feel free to call me at (502) 540-6243 or by email at john.allen@louisvillemSD.org, if you have any questions.

Sincerely,

John Allen
Procurement Manager
