

## UNIVERSITY OF KENTUCKY CHANDLER EXPANSION SUBCONTRACTOR OUTREACH EVENT

The UK Chandler Expansion is a **2 Million SF, 895-bed addition to the hospital campus**, expanding inpatient capacity and clinical support services. The facility will include adult and pediatric rooms, ICUs, observation spaces, operating and procedure rooms, diagnostics, imaging, pharmacy, lab, administration, retail, and meeting spaces. The project also delivers major non-clinical upgrades, including a new Central Utility Plant, expanded site utilities, electrical substation and transmission upgrades, roadway improvements, a 2,400+ space parking garage, demolition of existing structures, and a comprehensive campus site upgrade.

**Walsh Turner JV, UK and the Design Team will be available to meet one-on-one with interested companies immediately following the presentation.**

**Thursday, September 11th, 2025**

**3 PM - 6 PM**

**University of Kentucky Longship Club**
