MBE/WBE PROGRAM

MSD has awarded multimillion-dollar contracts to minority and woman-owned firms.

Types of Projects

Drainage Improvement, Flood Pump Station, Water Quality Treatment Center, Sewer Interceptor, Sewer Rehabilitation, Pump Station Elimination

Become part of this Program

An approved application will place you on our public database, giving your firm more exposure and potentially creating opportunities to work with MSD directly or indirectly.

Online Informational Sessions

MBE/WBE informational sessions are on the second Wednesday each month at 10 a.m. via Microsoft Teams.
