June 5, 2024

Dear Vendor:

Over the past 25 years MSD has raised more than \$1 million for local charities through employee donations to MSD Cares. Now you have a chance to contribute because MSD is restarting its golf scramble on July 20 at 8:00 a.m. at Shawnee Golf Course. Our hope is to raise more than \$7,000 through registration fees, golf advantages, and hole sponsorships. Sign up to golf or sponsor a hole to help us meet our goal!

What is MSD Cares? MSD Cares is an umbrella campaign raising support, awareness and volunteers for both local and global needs. Louisville MSD conducts an annual campaign to afford our employees an opportunity to financially contribute and give back to the community through payroll deduction or a lump sum giving. ALL of the monetary proceeds collected through this fundraising goes to support these charities:

We hope you will consider participating. Your generosity will truly make a difference as we spread the message of caring for those in need.

For more information about MSD Cares or the golf scramble, please contact me at 502.678.8126.

Please note that MSD employees are responsible for paying their own entry and advantages fees.

Sincerely,

Tim Moran  
2024 MSD Cares Campaign Chair
