Announcement of Intent to Issue a Request for Proposal for Progressive Design-Build Services

Owner: Louisville and Jefferson County Metropolitan Sewer District

**Project: Upper Middle Fork Pump Station, Force Main, and
Interceptor**

The Louisville and Jefferson County Metropolitan Sewer District (MSD) intends to issue a Request for Proposal (RFP) to solicit Proposals from qualified teams to provide Progressive Design-Build services for the Upper Middle Fork Pump Station, Force Main and Interceptor (Project).

MSD is implementing a project to eliminate 18 SSO's upstream of the Upper Middle Fork Pump Station (UMFPS) located near the intersection of Breckenridge Lane and Dutchmans Parkway. It is anticipated that the project may involve new alignments and a variety of conveyance or storage solutions. Installations may include open cut, horizontal auger boring, micro tunneling, or other innovative solutions. The Project will also include replacing the existing 9 MGD UMFPS with a new 30 MGD UMFPS.

MSD estimates the design and construction of this multi-year Project to be approximately \$80 million.

This is a Federal Consent Decree project with a required completion date of December 31, 2030.

Due to the Project scope and schedule, MSD has selected Progressive Design-Build for delivery of the Project. MSD seeks to enter a cooperative relationship with the selected Design-Builder, following the Request for Proposal process, in order to effectively address Project quality, functionality requirements, and stakeholder concerns.

The RFP is expected to be issued in April 2024. The Project is expected to be awarded in July 2024.

THIS ADVERTISEMENT IS NOT A SOLICITATION OF RFPs.

Please respond to Jacob L. Mathis, P.E., MSD Engineering Manager - Collections System and Construction, at jacob.mathis@louisvillemsd.org to indicate your firm's interest in this project. A statement of interest is not necessary to respond to this RFP. A statement of interest, if submitting, should be received by February 29, 2024. No further information will be provided at this time.

Register for bid notification on MSD's web-based portal at <https://louisvillemsd.bonfirehub.com>. To receive a notice when the RFP is issued, you will need to register at the above website and follow all applicable instructions.
