

MSD SBE Program Informational Sessions

MSD has embarked on several initiatives to ensure equity in the award of our contracts to help grow small, local businesses, while at the same time developing an excellent supply base that benefits our customers and communities where we live and work.

Effective July 1, 2021, the Small Local Business Enterprise Program (SBE Program) became a new program at MSD. The intent of the SBE Program is to further MSD's commitment to stimulate economic development and promote equal opportunity for small local businesses in Jefferson County and Oldham County, Kentucky (MSD service areas).

The Supplier Diversity Department is pleased to announce that we are conducting **informational sessions**, for **MSD construction general contractors** who bid prime work, so you can learn firsthand about this new exciting program, program participation, eligibility requirements, etc. The one-hour virtual sessions will promptly start at 1PM EST, and held over the course of three days. See additional details below.

Virtual Informational Session Date(s) and Registration:

- Tuesday, August 3, 2021 – 100PM EST
- Wednesday, August 4, 2021 – 100PM EST
- Thursday, August 5, 2021 – 100PM EST

Please RVSP no later than than **Friday, July 30, 2021** by sending an email to Joy L. Walker at supplierdiversity@louisvillemsd.org.

NOTE: Include "**SBE Program Session**" in the subject line of all emails. Please provide your name, company name, and contact information.

Session Access: the Teams dial-in information will be provided to registrants, prior to the session.

Thank you for joining us!

Joy L. Walker, MBA, MCA, PSCM
Supplier Diversity and SBE Programs Manager
